

# I Am A Thinker

I am a thinker  
Oh I did not say a stinker  
(p-hew)  
I am a thinker  
And I use my head to think  
  
When I see some trouble  
Oh I did not say a bubble  
When I see some trouble  
Well I know just what to do  
  
I get up and ask for help  
I didn't say I yelp, yelp

Oh I get up and ask for help  
Till trouble goes away

Because I am a thinker  
Oh I didn't say a stinker  
(p-hew)  
I am a thinker  
And I use my head to think  
  
And I use my head to think  
And I use my head to think  
(yeah!)
